# What is TumbleBooks?

TumbleBooks are animated, talking picture books which teach kids the joy of reading in a format they'll love. They are created by taking existing picture books, adding animation, sounds, music and narration to produce an electronic picture book (and some classics) which you can read, or have read to you. You have free access to numerous children's books and videos using any web-enabled device through Randolph County

### Florence and Leon

Florence and Leon have never met. Florence is a swimming instructor. She has a small problem with her lungs: it's as if she's breathing through a straw. Leon is an insurance salesman. He has a small problem with his eyes: it's as if he's seeing the world through a straw. One day Florence and Leon bump into each other, literally, and this mishap turns their lives upside down. Over slushy drinks with proper straws, Florence and Leon find out how their differences make them alike.
