Over 200 reading-focused performances, hands-on activities, storytimes and learning opportunities for children, teens and adults.

### RED HERRING PUPPETS

ALL LIBRARIES IN JUNE

Join Red Herring Puppets for an Adventure in Folklore! Roby, your friendly green alien guide, will share his unique perspective and his experiences of many cultures through this collection of stories from around the globe. Stories include: "Dogs," a romp through the parks of Paris with animated cutouts; "The Drum," with wood-carved, costumed hand puppets, about a young girl from the Himalaya Mountains who wants to own her own drum; "Three Little Pigs," a fast-paced rap version of the timeless tale from the United States; and "Jack and the Beanstalk" from the British Isles, featuring hand puppets, a magical beanstalk, a gigantic giant, and a colorfully painted backdrop, all accompanied by Celtic harp.

### YASU ISHIDA presents STORY CIRCUS

ALL LIBRARIES IN JULY

Prepare to be amazed, dazzled and bewildered by Yasu Ishida's Story Circus! Storytelling comes together in visual ways with lots of audience participation — balloon haiku, in which balloon animals come to life through poetry; "Storygami" — stories illustrated by Origami; and storytelling with magic. Afterwards, young audiences can make a simple origami craft that they can take home to perform their own stories.

Track the books or minutes that you read for rewards and prizes!
