

# Summer Reading 2007

## Featuring...

### TOP SECRET with Steve Somers

Join educational specialist Steve Somers as he takes young readers on an amazing mission solving clues that lead to tons of fun and learning in the library. Participants will discover cryptic messages in the Dewey Decimal system that will help them interpret maps, charts and photographs as they explore the world around them. Combining secret agents, spy gadgets, puppets and a cute bunny rabbit, Steve shows kids what is possible through reading ([www.amazingteacher.com](http://www.amazingteacher.com)).
