

Inventory of School Yearbooks in the Randolph Room Collection

Yearbooks from schools located in Randolph, Chatham, Davidson, Moore and Montgomery Counties are currently on the shelves in the Randolph Room. Due to space limitations, usage statistics and their digital availability, the majority of other yearbooks have been moved to long-term storage; these locations are noted in the library catalog. Please note that some schools are categorized in multiple ways; for example, schools which were at one time Gr. 1-12 may be listed under Inactive High Schools and/or Elementary Schools – it is wise to check the entire list to determine whether a particular yearbook is in the collection.
