**Serving our community
 and our library**

At the heart of every great community is a great library! The citizens of Randolph County are privileged to have access to a wide range of the highest quality services and programs through our library.

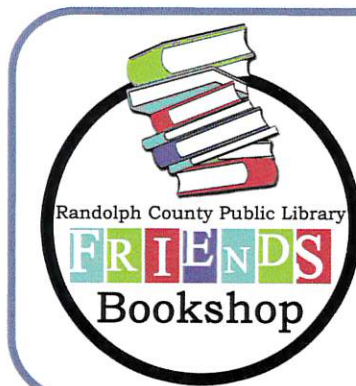

The Friends of the Randolph Public Library is an amazing group of people, just like you, who believe in, support and value making our library the very best. We accomplish this task

by working closely with the library staff to sponsor engaging, relevant, free of charge programs including noted authors, cultural venues and popular speakers on contemporary topics. The funds raised by the Friends of the Library Book Shop go directly to augment the needs of our library not covered by local and state funding. Through various fundraising events we are able to provide dynamic summer reading programs for children and teens as well as our newest project "Randolph Books for Babies".

We cordially invite you to join us in this meaningful and exciting journey as we work together to broaden and enhance literary experiences for all our citizens. You can assist by becoming members of the Friends of the Library, making tax-exempt monetary donations and/or volunteering.

Who Are The Friends?

We are the people from the community who are passionate about the vitality of the Randolph County Public Library.

Our dynamic group contributes volunteer hours to provide creative programming that keeps the library a vibrant part of our community.

Through the years the services that the Friends have provided have been award-winning at the state level. These services benefit individuals, families and businesses throughout Randolph County.

"My two boys have really enjoyed participating in the Summer Reading Program sponsored by the Friends. They are also excited about the after-school hands-on workshops, especially those dealing with science. Anytime they discover a new book that they want to read, we head straight for the Library."

— Lilly Bossong
